Spiced Sliced Beef
酱香牛肉

经过数小时的文火慢炖，牛肉的肌肉纤维被彻底软化，使得肉质变得异常软嫩、酥烂。浓郁的酱汁在慢炖过程中，深深地渗透到牛肉的每一丝纤维之中。咬开每一口，从内到外都充满了均匀一致的咸香滋味。

After hours of simmering over low heat, the muscle fibers of the beef are thoroughly softened, resulting in an exceptionally tender and fall-apart texture. The rich savory sauce deeply penetrates every fiber of the beef during the slow-cooking process. Each bite is filled with a consistent and well-balanced savory flavor from the inside out.

Poached Sliced Fish with Pickled Vegetable in Hot Oil
酸菜鱼

S$ **38** /份prtn

酸菜鱼最大的特点是“酸爽开胃，鲜嫩滑口”。鱼片吸收了老坛酸菜的乳酸味，口感极其鲜嫩；而酸菜不仅去除了鱼的腥味，还吸收了鱼汤的鲜美。
整道菜汤色黄亮，酸辣适中，吃起来让人食欲大开，回味无穷

The biggest highlight of Suancaiyu (Pickled Cabbage Fish) is its tangy, appetite-awakening flavor and the incredibly tender, silky texture of the fish. The fish slices soak up the lactic tang from the aged pickled cabbage, making them exceptionally tender.

The most outstanding feature of charcoal-grilled yellow beef steak is its 'crispy exterior, tender interior, and intensely rich beefy flavor.' Under the intense heat of the charcoal fire, a golden and crispy crust rapidly forms on the surface, while the inside remains incredibly tender and juicy.

Uyghur-Style Hand Pilaf
阿凡提抓饭

在过去，人们习惯洗净双手，直接用手将饭菜捏成团送入口中。这种吃法不仅保留了食物的温度，还能让米饭在手中稍微压实，口感更加紧实筋道。

In the past, people were accustomed to washing their hands and eating by pinching the food into small balls and bringing them to their mouths. This way of eating not only helped retain the warmth of the food, but also allowed the rice to be slightly compressed in the hand, giving it a firmer and chewier texture.
